Week 5 Grade 3/4 Uluru Landscape Aboriginal Inspired Art

This week we are completing a piece of artwork inspired by Danny Eastwood.

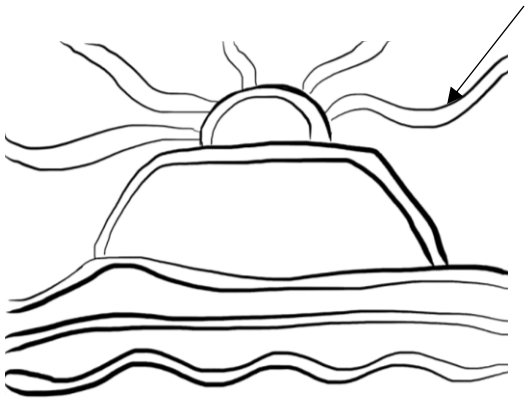

I would like you to watch the video on the blog missdalesart.edublogs.org showing you Uluru.

<https://youtu.be/LOxVc2XVV7s>

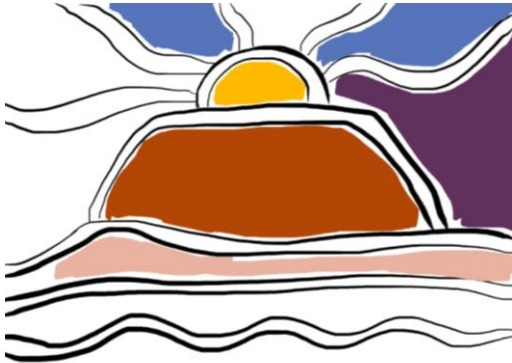

Please remember to hold on to your artwork. Feel free to send me a photo of your artwork at courtneyd@woodfordps.vic.edu.au

Step 1. You are going to draw a landscape picture of Uluru similar to the above artwork. I have drawn one on my iPad to show you. You need to have 'copy cat' lines for each line you draw.

Step 2. Start to colour in your sections thinking about the colours you will use and the colours you saw on the video. I have done a very quick job beginning to colour. You could use crayons, textas or pencils it is totally up to you.

Step 3. Once you have coloured it in you are then going to place dots in-between each of the lines. I have begun to do that on my iPad drawing. It will be a lot easier for you when you are drawing to stay within the lines.

Here is an example that is drawn on black paper.
