

Grade 5/6L Concert Act: Up There Cazaly

Verse 1 *Supporters acting*

Well you work to earn a living
But on weekends comes the time
You can do what ever turns you on
Get out and clear your mind

Start actions

Me, I like football
And there's a lot of things around
But when you line 'em up together
The footy wins hands down

Players run out & perform warm up drill in 2 circles

Supporters cheering & acting

Chorus

Up there cazaly, in there and fight
Out there and at 'em, show 'em your might
Up there cazaly, don't let 'em in
Fly like an angel, you're out there to win

Players commence handball drill in a straight line – 2 teams

Supporters run up onto platform & continue acting & cheering

Verse 2

Now there's a lot more things to football
That really meets the eye
There are days when you could give it up
There are days when you could fly
You either love or hate it
Depending on the score

Supporters come off stand & into 2nd row positions

Players make their way into front line positions

But when your team run out or they kick a goal
How's the mighty roar (hooray, hooray)

Chorus *Commence dance*

Up there cazaly, in there and fight
Out there and at 'em, show 'em your might
Up there cazaly, don't let 'em in
Fly like an angel, you're out there to win

Up there cazaly, you're out there to win
In there and at 'em, don't let 'em in
Up there cazaly, show 'em you're high
Fight like the devil, the crowds on your side

Ahhh... *Back row comes forward to become front row*

Up there cazaly, in there and fight
Out there and at 'em, show 'em you're might
Up there cazaly, show 'em you're high
Fight like the devil, the crowd's on your side

The - crowd's - on - your - side...

Supporters wave scarves & throw hats up in the air

Players slide through to front
