

# IT'S A MARSUPIAL

Skip onto stage to Skippy music

Now if you want to see an amazing family of animals that defy reality. There's  
the sugar-glider,  
And the kangaroo.  
And don't forget the koala -  
'Cos it's one too.

## Chorus

It's a marsupial.  
It's a marsupial.  
The most incredible family in the whole wide world. It's a marsupial. It's a  
marsupial.  
It's another super-doooper marsupial.

Back row hops forward to become front row

All marsupials, as soon as they are born, Climb inside their mother's pouch,  
To keep them safe and warm.  
They stay there 'til they grow big enough to go, So if anyone ever asks you - now  
you know!

## Chorus

It's a marsupial.  
It's a marsupial.  
The most incredible family in the whole wide world. It's a marsupial. It's a  
marsupial.  
It's another super-doooper marsupial.

## Repeat Chorus

**M-A-R-S-U-P-I-A-L**

It's another super-doooper marsupial.
