

2.6 Four-in-a-Row game: sound /eel/

This is a game for two players. Each player chooses a different-coloured marker. They take it in turns to read a word on the grid and cross out the word they have just read with their coloured marker (but they HAVE TO SAY THE SOUNDS AND READ THE WORD out loud!). The aim of the game is to be the first to form a horizontal, vertical, or diagonal line of four words in one's own colour.
