

# Home Learning Log **Weeks 5 & 6**

## 1/2 BL & 1/2 K

### *Reading & Sight Words*

Each week the children select 3 readers for home reading, which will be kept in their reader bag all week. The children have other readers in their classroom book box for school reading tasks. Please refer to the suggested questions on the back of this sheet to guide you in chatting with your child about their books after reading.

We encourage participation in home learning **most** week nights and for parents to fill out this Home Learning Log. The Home Learning Log is collected each fortnight to help us to keep track of who is regularly practicing at home. Your feedback is important to let us know how the children are coping with their reading tasks.
