

We are learning to use the internet for research on our Passion Project:

Success Criteria:

I can take notes of research facts using dot-points by recording the key nouns, verbs & adjectives.

I can turn my dot-point notes into sentences, using the keywords, which accurately represent the information.

See Below an example of subtitles and questions you could use: This is an example of how to do a dot point.

<u>When: When did deforestation become a problem?</u>	<u>How: How has deforestation occurred?</u>	<u>Who: Who have been the countries/companies most responsible for deforestation.</u>	<u>Where: Where has deforestation occurred?</u>
<ul style="list-style-type: none">• The mass destruction of trees continue today.	<ul style="list-style-type: none">• Agriculture is the main form of Deforestation	The main cause of forest degregation, is illegal logging.	<ul style="list-style-type: none">• Illegal logging is a major <u>global problem.</u>
