

Calculating Cubic Metres

1

What volume of water is needed for the fish tank?

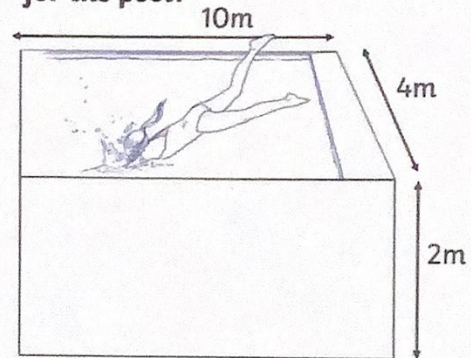

Formula = _____

Calculation = _____

Volume = _____

2

What volume of water is needed for the pool?

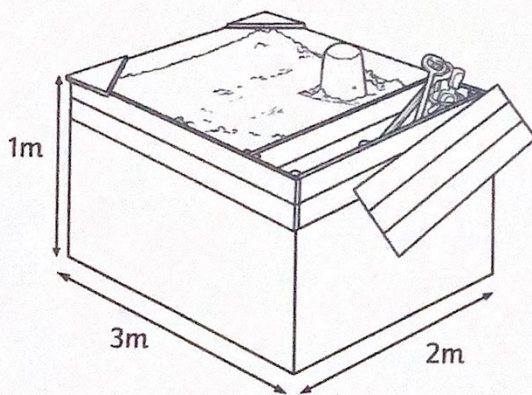

Formula = _____

Calculation = _____

Volume = _____

3

What volume of sand is needed for the sandpit?

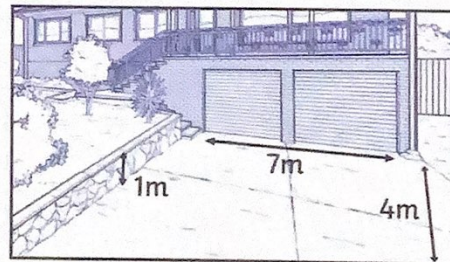

Formula = _____

Calculation = _____

Volume = _____

4

What volume of concrete is needed for the driveway?

Formula = _____

Calculation = _____

Volume = _____
