## Count, color, and graph.

A black and white line drawing of a garden scene. In the center, there are five flowers with five petals each. To the left, there are two snails, one at the top and one at the bottom, both facing right. To the right, there are three butterflies, each with a striped body and two antennae. There are also several small umbrellas scattered throughout the scene, some open and some closed. The entire scene is enclosed in a rectangular border.
